Dear Customer:

Enclosed are NEW & REVISED Material Safety Data Sheets (MSDS) for the above listed products which you ordered recently from Ecolab Professional Products.

We are providing the MSDS as required by the Federal OSHA Hazard Communication Standard and/or any corresponding State or Local Worker Right-to-Know Rule. For further information regarding how these rules apply to your operation, contact your State Department of Labor or the Federal OSHA. If you distribute an ECOLAB INC. product to another place, you may be required to provide a copy of the MSDS to that location.

See Section 2 of the MSDS - Hazardous Components - For information to be used for reporting under Section 313 of the Superfund Amendments and Reauthorization Act (SARA) of 1986.

Retain the most recent MSDS for each product you purchase.

SAFETY REMINDER

- * Use products ONLY for recommended uses
- * NEVER transfer product to unlabeled containers
- * NEVER take product home - workplace use only

If you are not directly responsible for the use of these MSDS or the information they contain, we ask that you forward them to the appropriate person(s) in your organization. If you require further information regarding these MSDS, please call Customer Service at 800-332-6522 who will direct your call for assistance.

Very truly yours,
